Dear Professor Roerich-

It was a deep gratification to me to receive from you today the warrant informing me that the Council of the Roerich Museum had paid me the high honor of presenting me with the Insignia of the Roerich Museum. It is with pride that I look forward to keeping the warrant and the very handsome Insignia as two symbols of the distinction the Roerich Museum has conferred on me.

With my kindest remembrances, Dear Professor Roerich,
I am

Very Sincerely Yours
