Dear Sir,

I should feel grateful if you could let me know if it is possible to get two rooms + a kitchen in any cottage in Nagpur for two or three weeks from the 1<sup>st</sup> September and what the rent will be. If you could send me a wire - I should very much appreciate it & will defray the charges for the same on arrival. If two rooms are not available you might be able to give me some information if a small cottage is available.

Thanking you very much in anticipation & hope you won't mind the trouble.

Yours ffl.  
S. C. Manchanda

P.S. we are leaving on the 29<sup>th</sup> + so please try and rejoin me before then. S.C.M.
