Dear Sir,

May we have the liberty to approach with the request to write for us an article on any subject of your own choice, with which we propose to enrich the Pujah Annual issue (illustrated) of HINDUSTHAN STANDARD to be published towards the end of August next ?

We are inviting contributions from eminent writers and artists from all over India and we hope your kind co-operation will not be denied to us.

Further, we would request you to lend us one of your valuable paintings for reproduction in the proposed special issue.

Could we expect that your contribution would reach us by the first week of August next ?

A line in reply will be much appreciated.  
Thanking you,

Yours truly,

H. C. Nag.  
EDITOR.
