Dear Mr. Roerich,

On behalf of the All-India Fine Arts & Crafts Society, New Delhi, I extend you an invitation to arrange an exhibition of your paintings at New Delhi. There are a number of admirers of your pictures and very much like to see a big collection of your recent paintings. Please let me know a suitable date in the month of November or December for the exhibition.

This will also enable me to arrange for a formal opening of your collection in the library room of Indian Agricultural Research Institute room.

Yours sincerely,
