Professor Roerich
U.S. Expedition
Darjeeling

Dear Sir,

It gives me great pleasure to extend a very hearty welcome to you and your colleagues on your arrival at Darjeeling and to invite you and Mrs. Roerich to visit our Headquarters with any other members of your Expedition.

It would be of great value and importance- to the Buddhist world in particular- if you could lecture a Calcutta audience under the auspices of our Society, of course on your arrival here.

May I also take the liberty of requesting you to be so good as to exhibit some of your paintings in our Hall.

We have heard from our American friends of your great work of harmonising Art and Religion, and I confidently hope that your new paintings would take you many steps forward on the path of realization of your noble object.

I shall be obliged if you kindly let me know your future program thus enabling me to arrange for your visit here.

With sincere wishes to you all,

Yours very faithfully

P. P. Siriwardana
