Dear Mr. Roerich,

I am directed by Mr. Gogonendranath Tagore, My father to acknowledge receipt and convey thanks for the beautiful post card very kindly sent to him. You do not know perhaps that my father had a stroke of paralysis and has lost his speech. He has, however much appreciated the beautiful thing, which has been placed in his table so that he can think of the days he has spent for Culture, the result of which is your esteemed friendship.

Yours Sincerely,

*Mileendranath Tagore*
