Dear Sir,

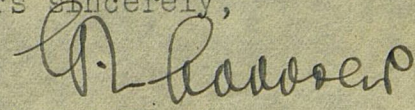

May I be excused for troubling you with this letter?

I am sure that you know about the aims and objects of the Boy Scout Movement and since you are interested in "Peace" as we are, I am writing to request that you will be so good as to contribute a few words towards Boy Scout Magazines published in India. Even a message from you, will be most welcome. I could have it published in the different Scout magazines in India.

Under separate cover, I send you some Scout literature about our work in this country and trust you will find the books interesting.

With many thanks,

Yours sincerely,

G.T.J. Thaddaeus.

Dear Prof. Roerich,

I write to express my sincere gratitude to you for your kind letter, the Message for Boy Scouts, the article "BE PREPARED" and the book and pictures which you have so kindly sent me. I can assure you that your message and article will be read with great interest and deeply appreciated by Boy Scouts in India.

I am arranging for its publication in three or four Scout magazines and shall do my very best to send you 50 copies of each. As we print a small number, it will be a little difficult for me to get 50 copies, but I shall do my best to get them and sent to you.

I have just seen an article on "The Roerich Banner of Peace" in the SCOUTER, a magazine published by the Imperial Headquarters of the Boy Scouts Association in London and sent out to all the countries in the British Empire and outside. I daresay you have ~~this~~ seen this. If not, I could send you a copy. It is written by Col. A. E. Mahon, D.S.O.

With many thanks again,

Yours sincerely,

G.T.J. Thaddaeus.
