April 1, 1931

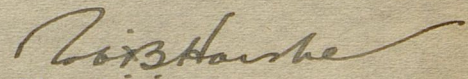

My dear Master:

I beg to acknowledge receipt of your kind and extremely generous letter of January 29, together with the beautiful sketch of the Himalayan Stupa, which comes as another evidence of your most delightful friendship. I shall treasure this souvenir of your regard more than I can say.

I beg that you will present my compliments to Mme. Roerich and my hope for a speedy convalescence.

With deep appreciation, I am

Yours faithfully,

Director

Prof. Nicholas de Roerich
