Dear Mr. Roerich:

I am sure you will be gratified to know that your name has been approved for presentation to our Membership Committee in The City Club of New York.

This action was taken in the belief that from the standpoint of ideals and general background, you have a very definite place in our ranks. It is with much pleasure, accordingly, that I invite your application for membership in The City Club.

I shall be glad to acquaint you with the necessary details, and trust that very soon we shall be able to welcome you to membership in The City Club.

Sincerely,

President.
