Dear Professor Roerich,

May I take this opportunity in thanking both you and the Madam for your very kind and gracious hospitality that I enjoyed .It was indeed extreamly kind and thoughtful of your son Dr Salave to havebrought us back with him,and thus having given us the great pleasure of getting to know you.

^{family}
~~This~~ meeting you and your illustrious/by mere chance has been an experiance that I shall always cherish as one of my dearest possessions and I am honoured to know you.And as Madam Roerich said that she finds some thing new but beautiful every day,.We that day ~~that~~ we met you found something beautiful in your friendliness.May this be the steping stone to our many more meetings in the future.

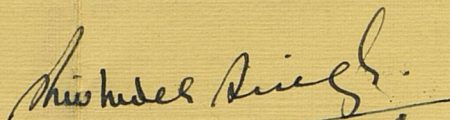

Madam impressed me so much with her talk of the great unknown that I am grateful to her for being my salvation as I was in the passed ,that way inclined but had found ^{any} ~~no~~ one who could guide me on the right path, but now I feel as if the way has been opened to me,and I am looking forward to my next meeting with Madam and the family.

I am sending here also my autograph book that I shall be honoured if you and the rest of the family including the doctor friend and the Lama would write in it. Also if you all could spare me a photo or a snap to stick in the album I shall be very pleased to have it.

Thank you once again for your kindness,.

With my kindest k regards and best wishes,.

Yours Sincerely,
