Dear Dr. Altekar,

This is to acknowledge your letter dated 2.5.58 just received. Please refer my answer to yours dated 5th April, 1958 written from New Delhi.

As I said before, I shall be very glad to have the proofs of my brother's book and I shall send them on to him by airmail which will reach him in about a week's time. It will take him as much time to return the proofs here and it should not take him long to complete the reading of the proofs. He has several times referred to these proofs in his letters to me and I hope we shall be in a position to send him the proofs before long. Since I shall not be staying in Bombay for more than a week, kindly send the proofs to my address in Bangalore.

With kind regards,

Yours sincerely,

(Dr. S. ROERICH)

Dear Dr. Altekar,

We have received the two sets of proofs and have immediately despatched them to my brother. At the time when I wrote my letter I was away from Bangalore, and was not aware of the receipt of these proofs. I expect my brother to return the proofs very shortly; in the meantime, I am sending you his address which is :-

Dr. George Roerich,
62/1 Leninskii Prospect,
KV.35,
Moscow,
U.S.S.R.

I will return the proofs as soon as I receive them from my brother.

With kind regards,

Yours sincerely,

(S. ROERICH)

7th August, 1958.

Dear Dr. Altekar,

Many thanks for your letter of
3rd August 1958 Ref. D.O. No. 661/58.

I am very much surprised that you have not heard as yet from my brother. I know that he has received the proofs which I have sent to him sometimes ago as he mentions it in one of his letters. It usually takes about 10 days for an average Airmail letter to reach Moscow - registered letters sometimes take longer. I know my brother has been away for the last few weeks but he has returned by now.

I shall be writing to him about the proofs and I am sure we shall solve the mystery before long.

With kind regards,

Yours sincerely,

Dr. A. S. Altekar,

P.S.

I hope the proofs were sent by Airmail to Moscow - boat mail may take any length of time.
