My Dear Rachel —

I don't wonder if this letter will reach you. We find the letters have a very long time going out. I received your letter of the 29th today which is good.

You must be leaving for Mexico. Here we have clear, sunny days.

Rajamma came I gave her \$10 and she said she was cleaning house!! I have sent Thudrabad Wooly cases to Germany. Hope you received it. Also letters.

Any way wire to us your dates because house has to be properly fixed and ready.

The Plantation work is complete
and we shall be getting everything
ready for next Season.

Derina came back from Delhi
Everything was very nice.

Bunty is ready to hit Annie!
when she comes - because she did
not mention him specifically when she left.

Give my love to Phineas and
greetings to Musicians.

And, And Love
from Fanny
