

My dear Sister

11.1.54

Very kind of you letter,
We were sorry you could not
come to Bangalore, as we
would have ~~been~~ been happy
~~for you to~~ to see you here.
We did not meet Panditjee
as we knew how busy his
programme was and how ^{much} little time he had.
~~We hope to be in Delhi soon.~~
I am very glad that you are
on the Robison & Meade Committee
~~and~~ I had suggested that you should

be Chairman.

There is such a great need for a
National Theatre a chair of
them in fact.

I also feel that it should be
done in the best possible way
with all the proper equipment. #11
We shall talk about it when
we meet.

Regarding the Russian Ballet
They may now bring their
passions with them, but
speaking things of enjoyment
or for or remember them who

~~has~~ no concert ground for
in Delhi which is of course always
needed for concerts. —

2 ~~and still~~ ^{and still} ~~on~~

We expect to be in Delhi soon,
we have been delayed because
I was getting treatments
for my arm, on a rock I fell
and tore some ligaments.
Give
Love all

Please give our affectionate
regards to Pandita;

Love all good wishes
from us both —
Your affectionate
