My dear Jagdish,

Both Uncle and I were very happy to receive your nice wire on Uncle's birthday, which came in good time. It is sweet of you to have sent it, and we are happy. Your Mother and Father and the children came to us on this day, and we all had a very nice time indeed. It was such a nice day, and we had also Supper together. I am sad that this time due to so much work we were not able to have you to our place, next time let us hope we shall all be together. Uncle told me to thank you, as he has gone to a meeting, if he comes back before I finish this, he will I am sure add a few lines to this letter.

There is such a rush of work, that one does not know how the time flies, it is just because of the 90th. birth anniversary of Prof. Roerich and the two Awards to Uncle, which all came together.

With our best wishes to you and all best wishes for Divali,

Yours affectionately,

*Devika*
