My dear J.C.,

I am very grateful to you for your kind letter of felicitations on the occasion of the Calcutta Art Society's Award to me. I very much appreciate your kind words and good wishes.

We hope you have completely recovered by now and that you are taking proper care of yourself. We shall be looking forward to the great pleasure of seeing you when we are in Bombay next.

With our kind regards and every good wish,

Yours sincerely,
