Deforou Neonag Bacunebeer,

Очень были рады иметь Вашу весточку и встретить профессора Гнатюк-Данильчука, с которым мы провели пару интересных дней.

За последнее время у нас было много гостей из Союза, с которыми мы беседовали на самые разнообразные темы, включая Кулу.

Не знаю, кто рассказал Вам о каких-то обрушившихся на нас сложностях. Не беспокойтесь, сложности эти неизбежны в жизни, и только преодолевая трудности, мы можем расти и крепнуть, также как и мускулы требуют упражнений и вянут от неупотребления, так и в жизни мы должны всегда быть готовы встретить осложнения, которыми полна жизнь.

Будем надеяться на встречу в Москве в недалеком будущем.

А пока шлем Вам наш самый сердечный привет и пожелания всего самого светлого.

Our dear good Friend,

This is in haste to let you know that Mr. D.S. Sriramulu delivered to us your book which is of great interest to us. My husband is reading it first and then I will read it. This is a very precious gift and we shall keep it with great pleasure. My husband will write to you about it later. I think it is timely that this publication has come out, I hope it has the widest possible circulation.

We hope that we shall be able to come to Delhi in the Autumn when we shall look forward to meeting you.

With our affectionate greetings to you both,

Yours very sincerely,

This is to thank you for the wonderful meeting which you arranged and which was such a great success. It is a great pity that we could not attend the other meetings due to the assasination of Mrs. Gandhi. As you know Svetoslav Nicholaivich has been awarded by the President and Supreme Soviet of the USSR the Order of the Friendship of Nations, and in Sofia he was awarded the unique award of the Knight of Madara I Class also the Commemorative Medal of Bulgaria's 40 years of Freedom. The Knight of Madara is a rare award given only to very eminent and distinguished people. We shall not forget our wonderful stay in Russia but I am sorry that it was so short. We wished to meet you very much but somehow the time was so short. In the rush and hurry it was impossible to meet our own friends. It was a glorious 80th birthday for Svetoslav Nicholaivich. Thank you for everything. I hope we can meet in May. The exhibitions are going on beautifully. Do write when you can. With love from both of us.

Sevila.
