My dear Mr. S e n ,

It was a pleasure to receive your letter. Many thanks for the good thoughts expressed therein. This portrait had not been reproduced so far and at present it is in a private collection at New-York. But in case reproductions of it will be made, I shall certainly be glad to send you a copy then.

Since you left here I have painted several large paintings of Lahul and Kulu, which will leave here shortly for the U.S.A. The country is so rich in types and scenery as to make it well nigh impossible to exhaust the subject. In my series are included several portraits of Red Sect Lamas. Just at present I am making two more portraits of Prof.de Roerich, but being very large they will take a couple of months to be completed.

Prof.de Roerich and we all remember with pleasure your visit last year and send you as well as Mr. H. Sen our best greetings and shall always be glad to hear of your work.

Very cordially yours,

S.R.
