Dear Mr. Taraporevala,

On account of the heavy rains which we had this season and the consequent loss in our production, we may not exceed $4\frac{1}{2}$ thousand pounds of Linaloe oil. We estimate our loss upward of 25 percent. I am informing you of this in order that you may make your allocations in advance.

Kindly let me know where the remainder of the oil is to be sent as our distillation will probably be completed shortly.

With kind regards,

Yours sincerely,

(S. Roerich)
