Dear Mr. Fletcher,

Your letter of June 11th addressed to the
Curator, Kulu Museum, has been forwarded on to me.

You can certainly reproduce my portrait
of my Father, Prof. Nicholas Roerich in your magazine.
You can inform the Director of Nicholas Roerich Museum
at New York that you have received my permission
to do so. What other reproduction will you use
in your article? You can write to me to my above
address as I shall now be here for some time.

The New York Museum has reproductions
of Prof. Nicholas Roerich's paintings. You can enquire
from them.

With kind regards,

Yours sincerely,

(SVETOSLAV ROERICH)
