Dear Mr. Fosdick,

Needless to say that it gives me great joy to be elected an Honorary Member of "FLAMMA". The mutual interest which binds us all workers upon the field of Culture creates that fraternal feeling which some day must pervade all the better portion of humanity. And it is therefore that I again wish to thank you, dear Mr. Fosdick, for the real joy you have given me in electing me to the honorary membership of Flamma.

May Light conquer darkness.

Fraternally yours

S.N.R.
