Dear Dr. Roerich,

Greetings and good wishes to you and Mrs. Devika Rani Roerich.

I have read with immense pleasure about the recognition of your great abilities by the award of honour by the Government of Mysore on the occasion of the Dasara Festivities this time. I really feel that you are worthy of greater awards and higher appreciations. I pray to God to vouchsafe to you and your beloved wife a long life of health, happiness and prosperity.

Yours sincerely,

B. V. Baliga
