New Delhi-3,

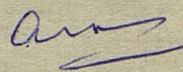

DATED September 20,

My dear Uncle,

After my return from Bangalore, I have discussed the question of issue of special stamp in memory of your revered father with the senior officers of the P&T Board. We have also been able to get hold of your request from the Ministry of Education. The matter is now being placed before the Advisory Committee which decides such matters. I have asked the officers concerned to give this matter a favourable consideration. I do hope something may be possible. I will be in Bangalore on the 29th and would like to spend the evening with you at your farm. I may not be able to go there early in the afternoon but will try to reach there before sunset and after meal with you return to my guest-house in Bangalore since I have to leave for Delhi next morning. I hope this programme will suit you. I am asking my officers in the I.T.I. to contact you and inform you of my final programme. I am also enclosing an invitation card for Geeta's wedding in Delhi on the 5th October, 1973. I do hope it would be convenient for both of you to grace the occasion and bless the young couple.

With kind regards to both of you,

Yours sincerely,
