To

Madame & Dr. Sahel.

With due respects I beg to bring the following few lines for your kind consideration & favourable orders.

I have served in the Estate for 6½ years with happy & sincerely. In 1978 when Madame & Dr Sahel were away in Bulgaria my wife was struggling for her life for a week. At that time also I never left the Estate & worked the whole day and used to see my wife in the evening at the hospital.

Now things happened entirely difference after the arrival of Capt Naidu. He is very clever and cunning. He never allowed me to speak with Dr Sahel. Completely he cut of me from Dr Sahel. He is taking all instructions from Cooly Sreenivasan & Moorthy is taking instructions from Jayaram. Last 15 days Moorthy never speaks to me. Both ignored me completely. Roll Call takes place even after 8 A.M. So I asked Capt Naidu that I will take one book A or B. & let Moorthy will take another book. So that the roll call can be finished within 5 minutes. But Capt Naidu never agreed and not allowed me to take roll call. I even don't know the present strength of the labourers.

Payment is doing by Capt Naidu
Moorthy & Jayaram for last one
month.

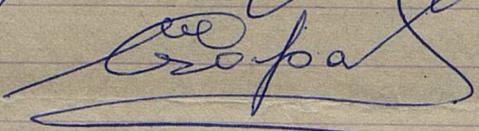

Considering the above facts.
I am desirous to retire from
Service from 1 Aug 1980.

If Madame wants me any time
I will come to office and give all
information required.

Here I am pushed to the fourth
place and now I am as a dummy
sitting at my quarter without doing
any work. I want to retire,
while I am in good book. I don't
want to spoil my name & then
get away from the Estate.

If Madame don't want to leave
me. I humbly request Madame that
I will be as a Reserve at Bangalore
and daily attend the office so that
I can do some useful work.

Thanking Madame & Dr. Sahel.

Yours faithfully
