

INDIAN NATIONAL PICTURES LIMITED

3rd September 1945.

My dear Mr. S. Roerich,

I reached here on the 25th ultimo after finishing the preliminary work regarding our new company Indian National Pictures Limited of which we had a talk on our way from Lahore to Delhi.

On enquiries from Taj Mahal Hotel I found that you had left this place only a day or two earlier. Yesterday I happened to meet Mr. Hitu Chaudhry of Messrs Sakseria Brothers Ltd. He mentioned to me that you had spoken to him about my new venture. Really it is so very kind of your goodself to keep me in your thoughts.

The happy news about your union with Madam De vika Rani also came to me here. Please accept my heartiest congratulations and good wishes on this occasion.

As the company's documents are absolutely ready now for the public issue, I think that the time has come when I should request you to kindly grace our board of Advis ors of this concern for which you promised every advice.

With kindest regards for self
and Madam Devika Rani,

Yours very sincerely,

Goverdhan Das
