Dear Dr. Roerich,

I could not send the transport yesterday, since it was raining heavily and consequently the roads were not in good condition.

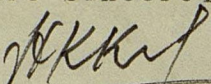

The bearer of this letter, Mr. Prakash will call on you tomorrow morning, when you may kindly handover the two Paintings and he will bring the same properly to my house.

I am going to Mysore today and will be back on Sunday evening. However, if you are in town please give me a ring and I shall call on you.

With regards,

Recd two (2) Paintings
