

Baroda

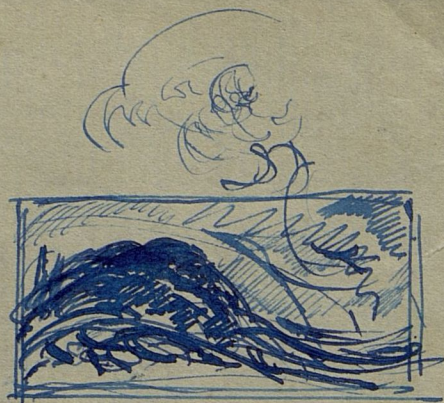

21/2/46

Dear Mr. Roerich,

Please forgive me not acknowledging your letter earlier. I had been out of Baroda for last eight days. After my return I waited for Govt orders about your pictures before writing to you.

I am afraid no orders have yet been passed. The papers have left my office long ago. They are with the Central Office of the Govt. I would communicate the orders to you as soon as they are received by me. Are you still in Bombay?
With kind regards to you & Mrs. Roerich

Yours sincerely
Jyotindra Mehta
