Dear Sir,

Some days back I sent you photographs of two Ragini paintings for your approval, but have received no reply as yet. I hope you would like them, but if by any chance you donot feel like buying them please return the photographs, as the owner of the paintings would not like photographs to remain with any person without the permission of their ultimate buyer. I am however hoping that you will not miss the opportunity of buying these fine and rare paintings the like of which, I feel, you may never get again.

Kindly let me have your reply.

Yours faithfully,

Rukmanand Mishra.

Dear Mr. Roerick,

Thank you very much for your letter of the 8th. inst. enclosing the two photographs. Please in future address all letters as 51 Upper Chitpur Road and not simply Chitpur Road as this causes unnecessary delay.

I think I made the serious mistake of not sending you the original paintings, as you would then have surely bought them. They were very rare and really important paintings. I am however glad to inform you that I have now sold them all for Rs.1750/-.

I am trying to procure some really good paintings for you, possibly Mughals and asxx soon as I am able to get some I will this time send you the originals.

Thanking you,

yours very truly,
