Respected Dr. Roerich,

Please permit me to convey my heartiest congratulations for the accolade bestowed on you by the Calcutta Art Society.

This Medal of honour, as far as I know, is not only for distinction as an Artist but for service as a humanist and is more than apt on both accounts for I have no doubt in my mind that you have all along endeavoured to put in the common stock more than have taken out of it.

Coming in the wake of an honour recently bestowed on Madam Roerich, it is gratifying that a similar gesture has been shown to you.

With respectful regards to Madam Roerich and to your goodself, I take this opportunity to renew my acquaintance with you at Madras Airport in November, 1970.

Yours sincerely,

J. Nayak
