My dear Mr Svetoslav,

Your telegram. I've seen it
just now on my return from town. What a
loss to humanity!! It is not a personal loss to
you and your family: the whole world is dark
today without Gandhi's presence.

We are bringing out a host-
-book of Gandhi's paintings in a week or so
and the volume will be dedicated to
him. I hope you will help me in making
it a success. I'll be writing a brief
introduction to it: Can you kindly
furnish me some important biogra-
-phical details relating to Gandhi's
life and work? An early reply will be
very much appreciated.

With deep sorrow,

Yours,

A. S. Raman,
Editor OUR INDIA.
