Dear Mr. Roerich,

This is to thank you for your letter dated July 28, 1967. I read the enclosure with interest and thank you warmly for the same.

When may I expect your visit to Chandigarh to see the new Museum. It is a beautiful building which you will be happy to see. I have purchased your father's paintings from the All India Fine Arts & Crafts Society which would be suitably displayed. If some of your paintings could be added we will have a real Roerich Gallery about which I have been talking to you from time to time. Please convey my best regards to Devika Rani.

Yours sincerely,

Dear Mr Roerich,

*corrections and one spare
corrected article -*

I enclose copy of an article which I have sent to Lalit Kala Academy, Rabindra Bhavan, New Delhi on the art of your father. I would appreciate if you will kindly go through it carefully and make such corrections as are necessary. The facts must be correct. If there is any other important information which should be included that may also be added.

I hope, both of you will be able to come to the exhibition of your father's paintings at Chandigarh. If you could also bring some of your own paintings for display that will greatly add to the importance and interest of the exhibition.

With my best regards,

Yours sincerely,

Sent also.

Dear Mr Roerich,

It is a pleasure to receive your letter. I am asking Mrs Jaya Appasamy at Lalit Kala Akademi, New Delhi to publish only the edited version of the article.

Yesterday a meeting was held under the chairmanship of Shri N. P. Mathur, Chief Commissioner, Chandigarh to draw a detailed programme for the Roerich Centenary. It was the ardent desire of everyone present that you and Madame Roerich ought to come to join the function. Even if you are not able to be present on the 9th October, surely, you can join us on your way to Kulu or on your return journey. On your visit to Chandigarh, you will be glad to see in what a worthy manner the Roerich paintings have been displayed in the best museum which exists in India.

With my regards,

Yours sincerely,

(M. S. Randhawa)

My dear Mr Roerich,

I am very glad to learn that the Soviet Government are celebrating the centenary of your respected father in a worthy manner. I find that they are bringing out a number of publications some of which will contain illustrations. These are not at all available in India and are not likely to be sold. As such, I would appreciate if you will kindly send me a set so that I keep it in the library of the Chandigarh Museum for the purposes of reference.

With my regards,

Yours sincerely,

(M. S. Randhawa)
