An Indian Academy gents & letters  
S. India

Dear Sir, I write to convey our sorrow at  
the demise of our great noble father.  
It is a great loss not only to the world of  
art & culture of large but also to our  
band of enthusiasts for An Indian Academy  
for he blessed our effort, sent us messages  
watched our work for a good time.  
His message we published in 'Dawn of  
India' in August 1943.

He wrote to our journals, The Behar Herald &  
Dawn of India' continuously. He is a  
great soul. We know that he will live  
thru' the good work he left for ever.  
We convey our condolences to you of the  
bereaved family.

Then send us a full set of his uprints  
of articles and trademark prints of  
his paintings so far published. We  
shall treasure them as your & his  
gift for us.

By the way we should like to have  
a full set of grey copies of paintings.
