Educational Adviser's Office,
Bombay, 10th November, '48.

Dear Mr. Roerich,

I was able, through the courtesy of the Hon'ble Premier, to see the pamphlet 'The Roerich Pact and the Banner of Peace' which has struck me as a remarkably useful production. I shall be grateful if you could either let me have a copy or alternatively to let me know from where I could obtain a copy.

If you are still in Bombay, I hope to call on you and Madame Roerich shortly.

With kindest regards to both of you,

Yours sincerely,

K. J. Somani

Dear Dr. ^{and Mrs} Roerich,

I have been deeply touched by your thoughtful message of condolence at the death of Maulana Sahib. This is a tragedy - personal, national and international - whose sting will haunt us all our lives. Life seems poorer, emptier, less meaningful in every way, because his personality had enriched it with significance in so many different ways. May God give us the strength and grace to cherish and strive for the ideals which he upheld with such firmness and dignity in his life and works.

With kind regards to you and Mrs Roerich,

Yours sincerely,

K. G. Saiyidain
