

December 17, 1947.

Dear Mr. Roerich,

I am shocked to hear the sad news of passing away of your dear revered father, Prof. Roerich, At this hour, I find no words to offer to console any of you. We consider that the loss sustained by you is a personal loss to all the Artists of the world and specially those of India and particularly to all of us who knew him personally and loved him as a dear friend and unerring guide. We pray that his great soul may rest in peace in the midst of the mighty Hymalyas which he loved so dearly.

Yours sincerely,

L. M. Sen.

P.S.- I am enclosing herewith a cutting which we sent to the press immediately after we received your telegram. ~~also~~^{as} appeared in the Pioneer dt 17th Dec. 1947.
