Dear Mr Roerich,

I am so delighted to see reproductions of your beautiful paintings in the Weekly. I do not suppose you remember but we met at a very pleasant dinner at our mutual friend's, Mr Stanley Jepson's. I also met you at the School of Art through Mr Gerrard.

I am herewith sending you the reproductions of your works and will be so glad if you will kindly autograph them for me, also your little portrait, from the same paper. Thanking you,

Yours sincerely,

Adi K. Seth

Dear Mr Roerich,

I wish to send you a copy of my book of poems as a gift.
Please let me know whether I should do so to Naggar? If you
are at Bombay I would like to meet you and give you the
book personally. On hearing from you I shall do accordingly.

Yours sincerely,

Adi K. Seth
