Dear Mr Roerich,

I cannot help appreciating the lovely portrait of Mrs Devika Rani Roerich, that has been published on the cover of Illustrated Weekly of the 24th August. You are truly a wonderful artist. I congratulate you. And you are very lucky in having as your wife such an artist as Devika Rani. May you both live long and publish more portraits.

Hope this post card reaches you as I am not

With love & your address.

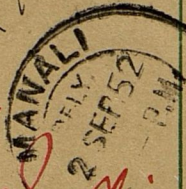

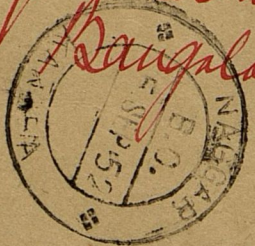

With best wishes,

Yours sincerely,
