Respected Prof. Roerich,

Namaste! I have just gone through your broadcast 'Contract' in Hindustan Times, New Delhi (at 9.30 P.M.) dated 10th Oct 1964 (as I get my paper Sunday late due to the necessity of my beloved father) on the 20th birth anniversary of your great father Prof. Nicholas Roerich and could not resist to write a few lines of request to you immediately.

Paying my humble tribute to the Omniscient qualities of your great father, I will say that about eight years i.e. in 1956 when I saw a painting published in Saraswati, Hindi Monthly from Allahabad about an episode from the life of Lord Krishna, I was feeling myself in ecstasy and could not resist purchasing a copy of that very issue of the Saraswati. I mean that your father was not only yours but a guiding star or a father of humanity with a quest for truth, love and affection in this universe and its abounding natural phenomenon. To-day only I have seen his photograph in the newspaper and have cut the your broadcast and his photo for my permanent record and inspiration.

However, I would like to request your kind favour to please send me a copy of his photograph for framing and also any writing of his which can be spared by you. or else the sources from where I can get his books, paintings etc. in Delhi.

As my pen-ink is not in order at the moment, my handwriting is not coming clear one, so

P.S.O

please do not feel it. Furthermore, I will approach Paditya
 Akademi in New Delhi to put up an exhibition of Gopabandhu's
 paintings during his birth day week every year in Delhi and
 then take it round the country as well. His commemorative
 stamp should also be published with his birth anniversary
 in order to promote greater understanding and brotherly
 humanity and truth among the people of the world especially
 Soviet Russia and India. The Soviet Russia should also
 publish his best notes in cheap editions for Indians
 and organise exhibitions of his paintings in Russia, India
 and other continents. I will also write to Russian Embassy
 on the subject. Now I again request you to kindly send
 me his (your father's) photo & painting & books if any and also
 stay with me whenever you happen to come to Delhi or
 give me a word so that I can see your important file
 send to hear from you please. Yours sincerely
 P. B. Tripathi
