Kulu Valley
C/o Col I Minnister

Dear Mr de Raerich

Please let me

thank you again for your kindness
in giving this charming sketch which
I shall always value. Would you
think me unreasonable if I required
of the price of that little portrait study
of the Silestan who has his mouth
opened slightly in protest. I would like
to have one of your portrait studies ever
so much for they are brilliant (which
is my humble opinion).

I write this in a hurry
hoping to have an answer before
I leave the Valley

All good wishes
Yours sincerely
Mark Toome.

Dear Mr de Raerich

Thank you very so
much for your letter and for the
information re the Tibetan Sketch.
This is quite a fair price but at the
moment as it represents half my
monthly salary I must wait until I
reach Peshawar to ascertain how my
finances are and I would be grateful
if I could write you again from
there concerning the picture.

Thanking you very so much
for your kindness in showing so many
it was a real treat after so many
months of starvation away from the joys
of living. Best wishes

Yours sincerely
Mark Cooper.

Dear Mr. Raerich

The Tibetan arrived safely today;
Thank you ever so much for packing it so carefully.
I shall always value it most highly for it has
the distinctive sewing of your work.

I am hoping to marry soon and
Mr. Thompson who gave it - did so for an
advanced wedding gift.

Peshawar is keeping remarkably cool
but I suppose the hot weather will break soon.
The hospital is very large and I spend the whole
of the morning operating.

Please give my very best wishes to all.

Yours sincerely,

Mark. Loane.
