Dear Sir

I have come to know that you will shortly be coming up to Kulu Valley and that you will require a good station wagon for your use from Pathankot to Katrai. If this be a fact I shall be very glad to offer you my station wagon No 890 EPH which I have purchased only last month. My services will be at your absolute disposal. You will have ~~use~~ to apply for permission to the Secretary Regional Transport Authority, Jullundur because my route is only in the Kulu side Division. This permission is usually given on such occasions. I hope you

will please favour me by informing
me of your arrival so that
I may bring the Station Wagon
to Pathankot or Nagrota on
the day you require it. The
permission is to be obtained
in advance please.

With kindred regard

Yours faithfully

Amar Chand
