Dear Sister Devika Rani and
Brother Svetoslav,

We are sharing with you the joy of honours showered from all sides on the 'world-renowned Russian artist, scientist, author, explorer and poet' Nicholas Roerich, your father-in-law and father. Reading accounts of Roerich Centenary Celebrations from the 8th instant in the papers and listening to Radio broadcasts give us much pleasure. We have also bought a block of special issue of postal stamps, marking the occasion.

We may have the pleasure of meeting you before long. We were at Bangalore on the 22nd of last month, but just for a few hours, flying back from Bombay and proceeding to Mysore. We were with our younger daughter, Ljita, in Bombay for a month and a half. She had a baby son born to her on July 25, '74. She has already got a daughter 2½ years old now.

Don't you some time come to Ooty - this Queen of Hill Stations? Do come & stay with us for a short stay at least. That will give us a great pleasure.

Hope, this will find you both in good cheers as ever.

Yours most cordially
Shiekh & Bahadur

Dear Brother!

Please accept our heartiest congratulations on your being honoured by the Calcutta Art Society with the award of their Medal! We read the good news in yesterday's Sunday Standard!

Shriek & me are at present in the Cinchona Plantation of the Anamallais for a couple of days. We have come here with our friends, the Mohan Raos. Mr. M. Mohan Rao is the Director of Cinchona! We are enjoying the outing.

It is good that soon after Sister Devika Rani had got a pleasant award, you also got one — Ladies First!

²
We make plans of visiting you one of these days, but so far none has materialised.

With our best wishes

Yours very sincerely
B.Ch. Chhabra

P.S. We are returning to Aky tomorrow.
