Dear Mr. Rorerick,

Mr. D. King of U.N.E.S.C.O.
has kindly suggested that I might get in touch
with you. He works with my brother who is the
Director of Education for U.N.E.S.C.O.

I am an author and an
architect and am keen for an odd assortment of
seasons the two chief being that after the
monsoons I will ride a bicycle from here to Agra
and Delhi and the Punjab, and also I wish to
do research into the Moghul architecture, costumes,
customs, story etc partly for myself and
partly for Sir Alexander Korda who wishes
shortly to make a film on that period.

If we might meet
some time that would be very happy. I am
free any time.

Yours sincerely,
Harold Elvin.
