Dear Friends:

It was nice to get news of you and Ajit was of course delighted to get the cheque, but I hope you will not misunderstand if I return it as it is far too much for him. He himself thought so too. If we let him accept your generous gift he will imagine he is the world's best photographer + get

his head turned! So will you be kind  
enough to send him a smaller amount.  
Please..

Raja has almost completed his book but  
mine is still nowhere near the end. Any  
how I'm working hard at it.

Ajit wants to know if you need any  
copies. He has exams so will write  
later. Both boys send their love - as  
do Raja & I also ————— Yours  
I hope Robert does come to Krishna  
India.
