Dear Mr. & Mrs. Roebuck,

Many, many thanks for the beautiful sarees and your good wishes.

As you know I was wearing the red saree you gave me made up as a cocktail dress - it looked lovely and everybody

admired the colour very much.

We were sorry that you were not here to take part in celebrating our engagement - which was a happy and very special occasion for us.

Hoping to see you again before leaving India in November and trusting that Mr. Rocherich has quite recovered from his illness we remain with very best wishes Dina + Rito
