Dear Madame Roerich,

I have now heard from
the Civil Surgeon, A. Choudhury,
Doojuli, re charges for Operation etc.
for Miss Ludmilla Baydanov. In the
Victoria Hospital a cubicle costs Rs 10/-
per day - the Operation fee would be Rs 40/-.
The Eden Hospital, Nursing Home, is
much more expensive, Rs. 15/- per day
& Operation fee Rs 350/-. Examination,
medicines, anaesthetics fee etc. are
all extra, & at the Victoria Hospital
a special nurse, if required, would
also be extra. It was arranged
that Miss L. Baydanov would come
& see me again, next week, when

monthly,
to spend no over.

I hope both the sisters are
improving with the tonic ordered.

With kindest regards,

Yours sincerely,

Mary H. MacLachlan.
