MISS GRANT TRUSTEE OF ROERICH INSTITUTES

Miss Frances Grant, formerly of New Mexico, is a vice president of the Roerich Museum, trustee and one of the founders of all the Roerich Institutions, as well as the author of a recent book on "Oriental Philosophy." In a recent article in these columns, written when the Roerich paintings first went on display at Arsuna Galleries, it was erroneously stated that Miss Grant was secretary to Mr. Roerich.
