

Oct 24-49.

341

Inge left for the Clinic at Zurich
under Dr. Rossier's care.

Dur & I came to Geneva - bought
watch for Dr. Rossier, maybe H.R.'s
Cashed 200 in Travelers checks
Mailed letters to Sv. Kathya, Scott
Eunice. Had T.W.C. ticket
changed, & leave from Zurich

Had lunch at Bergerie Geneva
Must get visa for Iraq

R. feels badly, necrosis in shoulder
Shoes for Dr. Clock for E.J. from Du.
Ceyna for E.J. - Ties for Du. &
Asperin for R.

Stopping off Lausanne for mail -
Rec'd letters from E.J., Eunice,
Marta & check Th. Cook. Also,
letter from Lina

Inge phoned the dr. wanted to pay her
head for the sinus trouble & check her
Kidneys - will phone again tomorrow

On Oct 22, Saturday, we went
to Camp, to meet some of the M.R.A.
group - most interesting & sincere people

Oct 25th

Mailed letter to Sv. & passport to Iraq
Dr. having Cyra checked & pt. notes checked
Feel very tired as I had a bad evening
yesterday, from my stomach.

Can't recall when I've experienced
such a month of perfect weather.

Sira writes, the Institutions
will move into their new quarters
this week - This is a real achievement
as Mr. Bodney is a very difficult man
to depend on & work with.

Mother writes I will stay in her
Steady. How wonderful, but feel badly
to inconvenience her so much.

A ^{new} manto - bought a dark blue
knitted skirt, red, blue stripes jacket
quite pretty. Fed the Swans.

To noon we look for a watch
for Sv. Went to the movies - then rested.

Duze phoned. The hospital is speeded out
[making many blood tests, X-rays tomorrow
were taken, my shoulder & arm still
pains, weather, beautiful.

Oct 26th

52

Walked in the morning, fed the Swans & looked for a watch for Dr.

Rained all day - played pin-pong, read "M. Letters" - Evening read more of the "M. Letters" Spent very quiet day - won from Dr. at ping-pong & games out of 3. At Casino Dr. lost 7 games out of eight!!

Mother writes that she has such an unshakable faith that from now on everything in our common plans will unfold itself in a most wonderful, unexpected way. Faith is Knowledge, mind it please. My dearest ones should share in her inner joy.

Oct 27.

Again a cold, over cast day -
Bought bread & fed the swans.
Juge phoned - only returning Saturday.
Saw Omega watch, did not like it,
ordered Novado.

Have beginning of small herpes.
Helped Dr. pack & tried to leaky
had to read the R.P. book - ²as many
Re-read Mother's letter - discussed
tentative routines for family to
use time for most constructive
activities. One of the future "yard
sticks" should be, "Is this the most
important thing to do" -

Dr. said he would take Valerian
Juge phoned informing her
condition ^{one} of rheumatism, she
has reluctantly consented to a
g.g. n. exam. The doctor wants
her to take calcium & Vit. D. injections
These last several days have been
the happiest Dr. I have had in
a long time.

For T.B + Blood disintery -
cured -

Prepared Tak from the
Tobacco & milk 2 tea & 100
a day -

the Birch barked is smoked
& prepared - Dö20m6
begin in 1 tea-try & see how
it re-acts - then increase -
take on empty stomachs -

Same tak & milk cures
V.I.D. - Prepared in valashuy
or cream - good for skin diseases
for disintery taken also in milk

Oct 28th

6

Caught the 9¹⁵ to Geneva. Went to
T.W.C. - had hot coffee & bought Nyafes
for Rya & maybe H.C. Then saw Dr.
off on the bus for airport. Went to
Station, took the 12¹⁵ train for ^{Saconnamp}
Took the Fenicular up & then
started to walk - got lost a little
found myself other side of bridge
but found Wagon-its, only to see
they were closed. Returned to
Montreux, bought some wools to
wear, had coffee & bought bread
to feed the ducks - then walked
home.

Weather sunny but windy
& cold.

Worst water shortage in N.Y.
in City history, reported.

West Europe Storms Cause

(over)

Judge planned to say Dr. Rossseau
thinks now that maybe its not
rheumatism & steep looks for the
source of infection. N.Y.T. doctor
said her tonsils were bad.

She plans to arrive here about
3 p.m. Certainly will be grand
to see her.

Oct 29th

67

Walked into town, exchanged wool things, fed the swans & exchanged \$300⁰⁰ The weather, clear & cold.

Atomic planes are predicted by U.S. Scientist - Circle globe non-stop at Supersonic Speed. Also - Rockets called aid in studying Cosmic Ray. U.S. Army Experts Cites White Sands Test as advance in Research - What a wonderful near future is approaching - They believe it may yield more energy than Nuclear fission (whatever that is!)

Inge returned & told about the Hospital. Said she knew a doctor Rosseau in Louisiana & if it is the same doctor - she doesn't like him at all, Inge said she finds many things about him that are not good for her case - First of all he is not a neurologist but an internist. Also, she saw where he plays & keeps her going with treatments. She feels the

real doctor is Präkenbuhl, a
specialist in neurologist with his
own small hospital (Clinic) - We
will finish in Rossau & stay in Kaban -
Must pack to - tomorrow -
Mailed a letter to Dv.

Oct 31st Monday -

8

Left Moutiers for Zurich -
Received cable from Mother to
postpone my trip to Middle of Nov -
until Duge condition clarified -
We were very dissatisfied in Dr
Rosseau's diagnosis of Duges back
pains only being rheumatism. So
had appointment in Zurich in
best neurologist, Dr. Kagerbahl
Stopped over in Bern to make
application for Haag visa, then
came on to Zurich. Cancelled my plane
trip for Nov 3rd & made a new one for
Nov 17th. Cabled Mother, SV & DV
to this effect. Checked in our little
hotel SEIDENHOF at the
vegetarian place for 6 Frs - 50 Cts -
Wrote letters to Mother, SV, & DV.

A cold, dreary day -

The day DV flew to N. Y. the French
air line lost plane & all 48 passengers
over Azores Is. How protected we are -
& fortunate -

Oct 30th

Again overcast day - but in heat
the hotel is very livable - pack most
of the morning - had lunch & went
to feed the swans -

Have decided to make this hotel our
headquarters - will leave some
baggage & after Derge is finished with
the doctor, she can return here to rest -
Phone Katya's school. She is adjusting
herself & does not seem too unhappy.
Her appetite has improved. They,
the teachers have a hard time
understanding her English -
Write a letter to D.U.

R-Letter - to D.V. Smyth
GIF " " E.G.
" " L.C.S.
" " Kallina
Nov 2

Rec'd -
letter L.C.S. 9
" Emma

Rec'd several letters from L.C.S.
Tillipsteel in hospital.

Went to Cooks, no passport as yet.
Will go for knitting lessons.
Bought another Cyra wrist watch,
possibly for D.V.

Forgot to buy the newspaper -
miss reading the news. Dora phoned
& said another big air crash.
Last Friday 48 in one plane, to day
52 - in another.

The weather remains dull
cold & disagreeable.

Went to the knitting place &
had instructions on how to knit
little wool pants for boys.

Are so upset we didn't follow the
address - simply. To go to a local doctor
It was very likely Dr. Ott, at Sausan,
So much care & energy spent on us.
But Dr. K. can be good for Zuzo & maybe
Dr. Ott for my herpes.

Nov 1st.

Went for a walk ^{down} Bahnhofs Strasse
Sent socks off to Katya - letter to Ruth & Al
& letter to Katya -

Judge paid her doctor bill 175 Frs & Dr.
Rousseau said he was not quite
satisfied but offered no other medical
suggestion other than the removal
of her tonsils as possible source of infection
Gy. & doctor charged 50 Fr. Eye doctor 25 Frs

Had my head washed & set & if
feels & looks so much better.

Bought wool Fockings & knitting
wool for Peter. Sewing red for Katya

The newspapers is just full of
strikes, troubles & threats of one country
against the other -

Again a dull day. No sun shine
since we have been here.

Rue'd a letter from Katya - Enclosed
was a letter to her Mother & Parasutka

They were very well written.

Letters to, Emma
Katie, Susa
Smith, Ochs

Friday

Changed our telephone from a
small dark one to a nice large, set
side french door windows, small hall
way & modern complete bath, all for the
difference of one franc.

The sun still refuses to show itself
& the weather is cool & dreary -

Dr. writes that the farm is so beautifully
taken care of by Emma, Marta & Anna -
what very wonderful people they are &
how grateful both Duge & I are -

Wonder what plane I'll take. If only
I'm big enough to grasp & drink in
all that Mother will try to convey
to me.

Sent
Cable H.R.
letter DV.

Nov 9th

Left at 8 a.m. for Montreux picked
up more wicker strolling. Had lunch
National - Rained heavily all day
Went to see Dr de Preey about Ultra
Sound Wave - Seems to be a new
treatment for inflammation of
nerves - muscles & etc. Manufactured
by Simon Co. Invented or discovered
by a German doctor. They also
have a ionisation treatment
for certain cases of rheumatism
The doctor said if the Ultra-wave
were given too strong or too
often it would cause intense
pain - Wants legs to come twice
weekly. Can take 2 to 3 months
time to heal - He is anxious to try
it on my herpes??

Returned to Zurich at 9¹⁰ p.m.
Had hot chocolate & am now
in bed. Had nothing but rain & on returning
to Zurich found it the 1st day without rain

Letters -
Beth's
Amy -
W.
Dean

Nov. 10 - Read Teaching. Did not attend to much as it rained all day. Wrote letters. Had an irrigation.

News in the paper most disheartening. Nothing but hatred & strife & suffering.

Rec'd cable from Sv. saying he would be at Tajmahal Hotel from the 12th of Nov. on.

Sent letter
Dr.
Pana
Luge - M.R.

15

Nov 11 Went for cabinet hot bath
& massage. Enjoyed it. Have
such strange lump in throat
& solar plexus. Almost like
acute indigestion, but why the
lump in my throat?

Luge is planning Katya's school
& they report seems to be good.
They had 21 cm of snow but now it
is all gone. Katya is all equipped
for the snow sports & they are just
waiting for it to come. Luge plays
solitar & of course I seem to
always help out, instead of
keep to my knitting.

The letters rec'd from Dr. today
had such a good tone, whereas
yesterday were quite aggravating

Rec'd
letters - DV.
" Emma
" Sierra

Mailed
Emma
Katie's 99F
Emma's ~~work~~
Robert DV.

Nov 12 - read F.W.II - Did very little to-day as I was troubled with a hump or pressure in my throat & solar plexus or stomach. So much so, that at times felt like vomiting. Ate very lightly, Very weak chocolate & one roll for each meal. The descompnt still persist. Along with this I seem to be in an almost constant heat wave with slight perspiration from head to foot. My food does not want to digest, seems to sour in my stomach - have taken soda water & hot water.

Made little bags of freshly dried lavender as remembrance for Trues. The weather was fairly good but now it is pouring again.

Bought a yellow & lavender flannel sheet waist & some evenly bed room slippers. Hope my stomach or what ever it is gets better soon.

Sunday -

Nov 13 -

Still continued feel badly in my throat & stomach. Some lumps & strange feeling in throat.

Went for lunch to Dora. She has a very good house for her "children". Had a bowl of noodles which seemed to help settle my stomach. Dora had a lovely lunch of salad etc. Returned home & went to bed.

Notes in paper where they can print & dye materials is a Radio active ingredient.

Also, that Scientist claim the world is getting warmer - & the arctic poles more bearable for man & service.

It's quite cold here.

Yesterday a dark spot was seen speeding across the moon. Believed to be a meteorite just missing our world.

• huge

Mailed

Nov-15 | Duges fur coat sent
by KV 9th arrived in Swiss camp
by KV 14. To-day we should
receive it.

Mailed } only
Sonia } me
W. Leo. } 17th

Nov 16 wrote letters, rested
packed my things. Went
to see Det., who gave me
Hyergeren, as drops for my
lungs -
Steff died & Mary -

1947

Planned T. W. G. - The
 plane is already in
 late, may have 8 days
 from Geneva -

Left from Geneva - plane 6 hr. late -

Went to Rome - Athens, Cairo
 Sherburne & then to Bombay -

Trip very smooth, but cities
 or air ports very dirty & food
 impossible

Nov. 18 - Arrived Santa Cruz
air port. A lot of road tape
& containers, was met by Su.
We had a long drive into
Bombay. Checked into Taj Hotel
at 11:30 M. In night.

Met Seema, who had a
nice light meal waiting
for me & we talked until
2:30 or 3 A.M. Finally went
to sleep at 4 A.M.

Nov 18th Arrived Bombay.
 Svetic met me at airport
 Stayed Taj Mahal hotel

Nov 28 left for Delhi by
 train - stayed Madras Hotel.
 Saw Red Fort & Historic Tower
 also Tomb & Shrine of a great
 saint, it was most beautiful.

Nov. 5, left Delhi

" 6 arr. Calcutta (Awful)

" 7 " Kalampong - 12 noon

Mother, George & Gail met
 us at door - they welcome
 was beautiful - Sister Mother

talked to me alone for a short
 while - said the Gov. wanted

me to return only by the end
 of April to the states - probably
 leave India, Jan or Feb.

Wanted Dev to come to Switzerland
 in Feb, but he is in the
 States - that at the end of March
 a great cat us for would

happen - Dave should give
a new approach to his
med. cert

Nov-19 - Tried to get seed case
from Air Freight - but it had
not arrived - Went to bank
if they can keep my account in
dollars for a month or so -
must deposit what I want
done & if Sp. will allow
me as yet to draw a cent out.
So I go around to my money -

Nov. 20. Feel very badly
in my stomach & head. Just
fati-gue. Tried to rest
& had a good sleep in
the afternoon. Could sleep
here until early in the
morning 1³⁰ - or 2 A.M.
Have such a heavy heart
yet I like the place in a way
but not too much. S. & D.
are very kind to me. So
everything they can do make
me comfortable.

Nov 21 -

Did some letter writing
 Rec'd cable from Mother asking
 when I would arrive in Palembang
 wish I were there now.

In the afternoon noon had an
 enjoyable appearance of
 going through the Indian
 red tape & paper work at the
 customs house to get my one
 bag - personal belongings

Gently evening. Had the
 Rain of Mandi House, K.K. -
 & they went to Mr & Mrs Brown
 home for dinner. Arrived about
 8:30 pm. They have a very lovely
 & warm feeling atmosphere.

The dinner was excellent
 & they were charming host & hostess.

Wish I do entertain as quickly
 early & as lively as they did.
 Saw home made wares of Bangalor
 & Rulu - arrive Hotel late

Nov 22 - Went to Bangs
& had 10,100⁰⁰ Bank checks
(travelers) made up -

After Bangs had hair
washed. It was awful
Mr. Atall stopped in for
lunch -

Went to see some of
Dever's friends, & had
large squash - Returned
& have former Minister
of Finance for dinner -

Very few people - Seems
to have the only world wide
attitude & mind, I have
met so far. One feels a
real states man.

Letters & DV.
Smyth

Nov. Major Dean

23 - Had pains in my
back & took things easy
again by several
people stepping in & we
go out & see some one
about 6 p.m.

letter to mother

Thurs

UV 24 - pains in back -
Herpes might make their
appearance -

After length hair bar
reached & set. First time
it was awful - couldn't
get the comb through; so
much soap left in hair

Mr. Atgel is coming for
tea. And after yards we
stop in some where a game
the usual crowd - they
seem to always meet at
some one else house the
following day - tonight

Hope we stay in tonight
Dr. Resuals calls for me
at 5 - to come to their apt
for tea.

Friday

Tea is usually brought in at 8³⁰ AM

Nov. 25. Su. calls & we go for breakfast to the cafe.

• Dec. is not there. Comes later, when the coffee (or coffee stuff) is about cold. Then we talk again amidst numerous

• phone calls. Either sleep or attend to something - then lunch about 1:00³⁰

Then Su. brings me to my room & we talk some more - or we go out

Then someone comes for tea around five or we go out - Then at 7 we go some place and at 9 or 9³⁰ PM

• we dine.

Mr. Atzel came again for tea. Has invited us for a tiger hunt during the Christmas holidays in Taipei.

• Hope to do some shopping tomorrow. Can't understand why such a heavy feeling persists in my heart

• I dropped & bought a few Kashmir things - not much, but pretty.

Nov 25 - Saturday -

Have small herpes & suggestion of
sore throat. Breakfast @ SV.

Did a little present shopping,
bought a few attractive
things - Went to see "Ed, my Son"
Did not enjoy it, found it
poorly acted.

Had a grand evening @
Dev & SV, she told me various
things of her childhood -
She is a very kind & good
soul, later had a wonderful
talk @ SV, about the work
(in my room) - about the
hopes for the future Centers
& Father's painting & Mother's
work -

Dec 20th

So many things have been discussed, but did not write them down - could not; it was too much - but here are a few thoughts that are still fresh in my mind -

Never commene in thy God, if there has been any ^{errata} in you during the preceding hours of the day. Try writing your good deeds first & then think it over, for correction & then re-write if necessary -

Mother told me about De Key's about the Masters Tower.

The God advised me to read again H. P. Bo Works - Mother suggested Isis - also good for all of read - like theosophical H. P. Bo Writings.

Dev. is a medium & attracts all kinds of unpleasant beings. Last night Mother & I felt & Mother saw one in the room. She was chased away -

Sp. continues to paint & sweep
heads of me.

Every day Tibetans come &
talk or study & George.

To-day the doctor came - so as
to give me a prescription for
my vomica & headache.

Rina is very anxious -

she too will get a tonic.

My bowels have worked by
them selves for a whole week.

Most unusual for me -

My period tried to come
but did not make much
headway - Was hardly sick
at all - almost no blood.

Phys. made a few blisters
& took snap shots.

F. W. Vol III para 1. "Farewell
prayer" ? why "farewell" J5

DW + SU. went to Davenport -
Mother & I spoke again about
the Teaching - She also said I
could write. She was told that
a person suffering from paralysis
from stroke ~~stroke~~ *
could be cured by putting them
in extremely hot water for about
an hour, keeping water very
hot & watching their heart at
the same time. This could be
repeated until healed.

Also a good plan is to
once a year take about 100 sp
of L. saets every morning for a
period of 3 weeks along with
diet. That it was very good
to cleanse & purify the body
once a year & very light diet *
operation after prostate gland.
If paralysis sets in after
feed better very harmful

while you investigate the
sol. pleurisy - Ray -

when Ray, the
patient reacts - get pain
on the solar plexus -
the S. pleurisy is strong -
if no reaction - no pain
Sol. pleurisy is weak -

Give para-soda when
he complains of burning
over solar plexus -
if he gets relief - solar plexus
is healthy -
