Thus the threatening turmoil of the shifting will turn to a new step for the disciples of Light. Thus proceed under Our shield. Fight and We will help you.

Mar 23. When the forces of Light and darkness are engaged in battle beware of destructive impulses. All old habits, pettiness, egotism are channels for the dark forces. Think often of the great victory which is gained through united energies. Beware of dark shadows and lightmindedness in the trend of thought about the success of the works. We need legions of new forces and friends. Keep your thoughts pure and in harmony with victory. The battle is strained. I approve the plan of the gain of time. Insist on your rights and you will conquer. We are with you and send you strength.

 possibilities. The main principle in this cosmic battle is

 constructions needs giants of thoughts and actions. We  
 need flaming hearts. Cast aside all impediments and walk  
 like torches. The teeth of the enemy will break but the  
 torches must be flaming. Perishable is the persistence  
 which is constructed of perishable egos. Be like the war-  
 riors of the Holy Grail. Fight. fight - fight. The defense  
 will be in the luminous look to Hierarchy. We are  
 with you.

apr. 6 Know the ultimate result in <sup>the</sup> battle with the dark forces  
 must be victory. Direct your thoughts to victory. Con-  
 ceive only victory. Let defeat be the perishable destiny  
 of the enemies. Keep the spirit invulnerable. Keep the  
 vigil. Keep the thread luminous with Hierarchy. Battle  
 must fight for the rights. Our might is with you.  
 Fight for the educational rights

How will Our warriors ascend? Not by a mortal sting of a scorpion, not by the bitterness of thoughts, not by the multicolored feathers of egoism. Not thus will the warriors reach, warn against each impulse of jealousy which acts like poisonous gas. Ponder about this. Victory will be with you. Do not burden the Shield. I send strength to Lal.

Now is the time for action and attack. The statement can be given to the press (as it is?) Brevise, concise and strong. Give a title and demand a prominent place because of the harm to the institutions. (About N.Y.?) The great leading power of the institutions dedicated to culture. Speak openly about the outrageous action. Demand justice. The Lords House must become unpleasant for the enemy. Our Ray is with you.

Apr 22 - Be like a flaming wall against the enemy. The work with the Bondholders will bring solution. Strength will be on your side if the appeal is powerful. Fight under Our Shield. We are with you.

Apr 24 - Half measures are not successful. Only when the entire forces are directed against the enemy then the successful solution may be found.
