SHRI AMARNATH,

Dear Shri Sinha,

Your letter of 27th March, 1971.

Written text of the Governor's speech  
before the Calcutta Art Society on 11th  
February, 1971.

The Governor has read your letter containing a  
~~the~~ request for written text of his extempore speech.

The Governor's speech was partly written and  
partly extempore. A copy of the written portion of the  
speech was released to the press and is enclosed with  
this letter. As regards the extempore part of the  
speech, the Governor spoke without notes and he regrets  
that it is not possible for him, after an interval of  
six weeks, to put into writing that part of his speech.

Yours sincerely,

( AMARNATH )
