Dear Kathrine:

Only a few lines now as somehow I  
lack pep. Just finished letter to David.

A letter came from Dr. Chaturagan  
just a while ago, he mailed it July  
26<sup>th</sup> regular mail from London. It  
arrived in Sweden evening of July  
30<sup>th</sup> the day Dr Chaturagan left London.  
He gave his address in London and I  
wish to quote in part from his letter  
because it is wonderful: "I do wish  
to hear from you. I hope your journey  
was comfortable. Please don't over-stress  
yourself, as yours is a valuable life. I  
also wish to have the privilege and pride  
of a long friendship with you."

"With best regards and all good wishes to  
both of you. I hope it will be possible  
for you to come to India soon, so that we  
may have the privilege of your company  
and the joy of having you as our guest."

Dear Kathrine, is this the representative then  
of the U. Country. I hope so, for we are  
very unusual friends. I really love him.  
He is very great.

I will write more soon, wrote a great  
deal to David, he will read to you.

With sincere affection  
Daxian
