P.O. Manali,

July, 23rd. (J108)

My dear Mr, Shibayev,

Thank you very much for your letter of the 22nd instant, which I received at 3-45 p.m. yesterday, and I am sorry I could not reply it by return as the mail leaves this place at 4 p.m.

I am sorry I am unable to come on the 24th, after 27th instant I am quite free and can come any day to your convenience.

If I come at the tea time there will be left no time to return as the lorry from Katrain to Manali leaves about 5 p.m. and thus there will be little time to talk and see the fruit in the orchards. Lunch time will, therefore suit me the best. I will reach about 12 a.m, will find ample time to talk and catch the evening service.

Thanks very much for offering me the pony at the bridge. Yes I will be pleased to have it.

More when I meet you.

With best wishes to you all,

Yours very sincerely

*Herbert A. Baron*
