Again I shall be Dresden on 29<sup>th</sup>. June to attend International Summer Course as a Dancer from India. And then I shall go to India in the

Dr. Mulk Raj Anand is in  
Berlin now. I have not seen him  
but I shall see him on 29<sup>th</sup>.  
in Berlin.

I wrote a letter to George on  
6<sup>th</sup> May from Berlin. I have not heard  
anything from him! Did he receive  
my letter? How is he? Give him  
my kind love.

Please you both look after  
yourselves - and I thank you both for  
looking after me in Moscow. I am  
well and working hard. Please write to  
me at this following address:
